

Keep Up Hope

Vivian Nweze, Student Coordinator

Covid19, alias CoronaVirus, aka Miss Rona, is the first time in 101 years that a pandemic of this magnitude has disrupted the world. This letter does not serve the purpose of reprimanding or educating us all on the intense medical significance of this disease. All the information you need for you and your family to stay safe is available on trusted websites such as the [CDC.gov](https://www.cdc.gov) and [Coronavirus.nd.edu](https://www.coronavirus.nd.edu). I want to take this moment to remind us all of something that spreads a lot faster and is immensely more powerful than any virus known to man: Compassion. [Read More Here..](#)

Terrific Tarik

Student Spotlight:

Tarik Brown

Tarik learned last week that, though his team did not make it to the finals of the McCloskey Competition, they did receive an award of \$10,000. The team developed [studia.app](#) to help students better study science skills. Tarik shares that they are planning to launch the app officially this fall. You can currently sign up to access physics problems and solutions. Try it out and let him know what you think!

Marvelous Marilyn

Student Spotlight:

Marilyn Zizumbo

Marilyn will be part of the 2020-2021 [ND SEED](#) program through the College of Engineering. ND SEED stands for Notre Dame Students Empowering through Engineering Development. They work with the non-profit Bridges to Prosperity and develop solutions in impoverished, rural communities. Marilyn will be the Community Relations Manager. This is a very selective team that has both at-home and traveling members. Marilyn will be on the travelling team.

Congratulations, Marilyn! We can't wait to hear more about your project and see what your team accomplishes!

Student Spotlight

Lesli Romero and

Joe Nwanebo

Lesli was part of the first ever, all-digital [Show Some Skin](#) performance. Presenting pieces remotely, the team found a way to share the important issues and stories developed for Show Some Skin with a nationwide audience. Lesli performed 3 pieces. Joe Nwanebo, capped off his 4th year with the production. He has been a board member, story board team member and an assistant producer.

SHOW SOME SKIN 20/20

You can choose to look away
but never again can you say
that you did not know!

Lovely Lesli

Joyful Joe

“They say that hindsight is 20/20. When we reflect on our past and our history, we might see how we arrived where we are. We know more, we see more, we ask more when we gaze into our past, and it is this reflection that allows us to look at the current moment with more clarity.” 2020 Call for Stories
